

# RSH Series Custom Rackmount

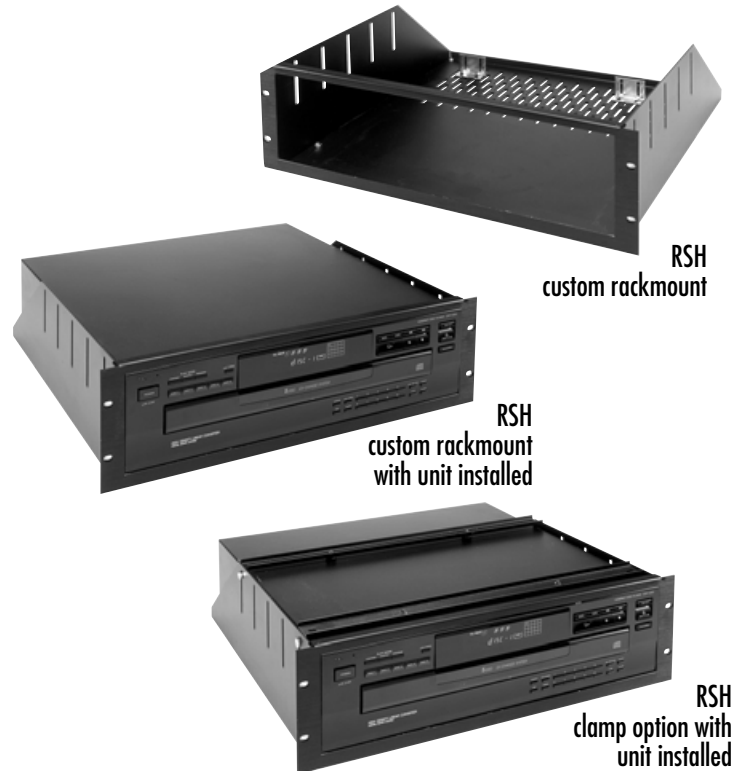

Middle Atlantic Products, Inc.

The RSH Series Custom Rackmount can install virtually any component in a standard 19" enclosure. Custom cut to provide a perfect opening for the face of the component you are mounting, each RSH unit provides a neatly-trimmed installation with a perfect fit and no gaps.

## Features

- Custom cut to provide perfect opening
- Cutout openings for components sized within  $\frac{1}{32}$ "
- Assembles easily in minutes
- Rear brackets included to prevent mounted component from sliding back
- Accepts any component up to  $18\frac{3}{4}$ " wide (maximum width of opening  $17\frac{3}{4}$ " )
- Choice of two finishes, black brushed anodized and black textured powdercoat
- Optional rubber-lined captivationg clamps available for use in mobile applications and installations in seismic zones
- Face plates may also be ordered separately (model AFACE, SFACE)

## Architects' and Engineers' Specifications

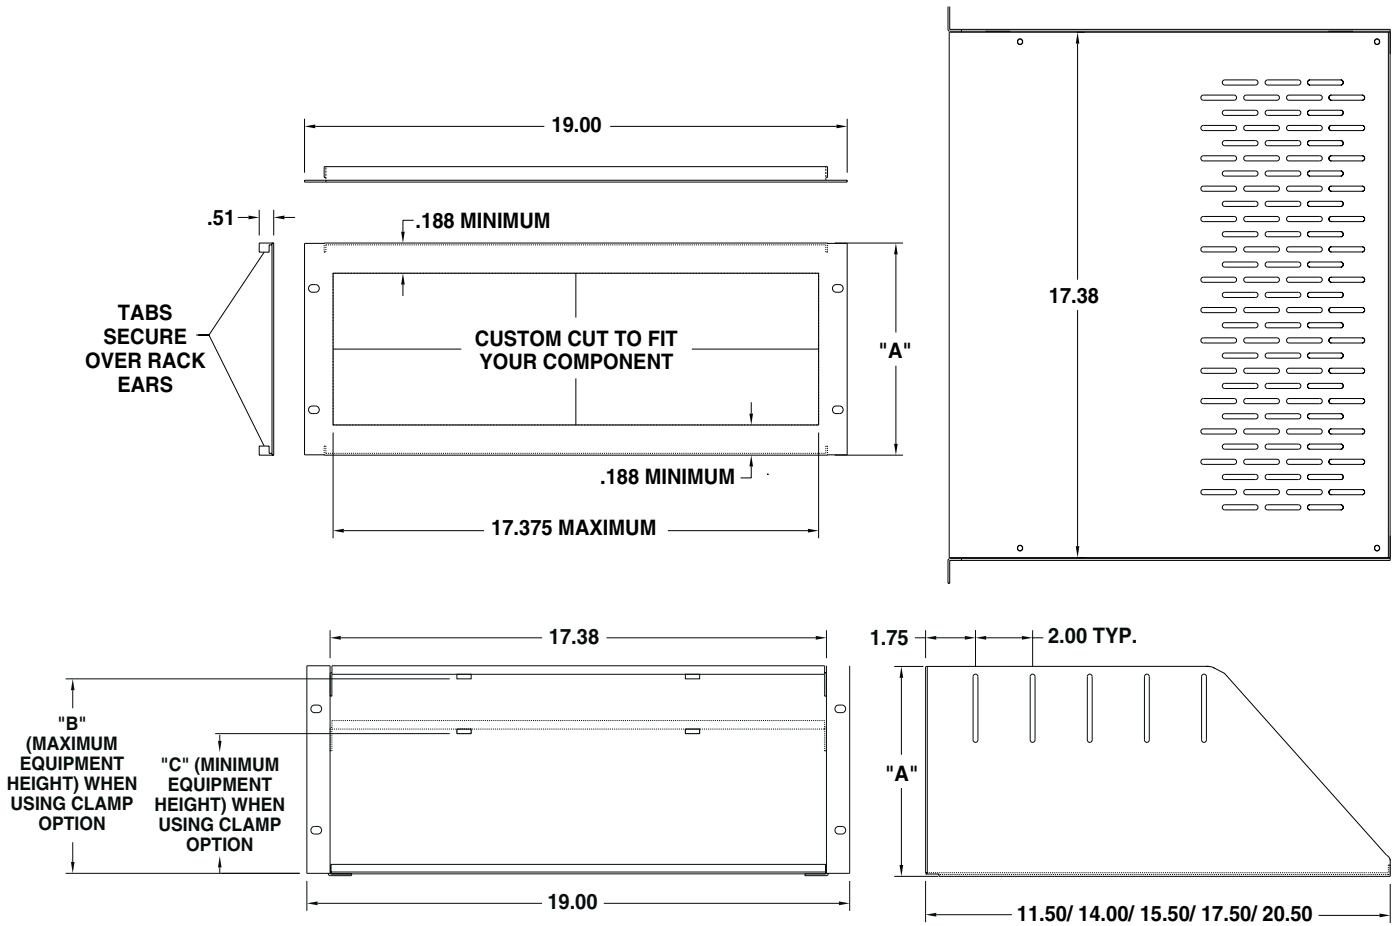

- RSH Series Custom Rackmount shall be M.A.P. model number RSH4X (X=finish desired). Finish for RSH4S shall be textured black powder coat. Finish for RSH4A shall be black brushed anodized.
